You've **HEARD** about it You've **WONDERED** about it
It's time for **YOU** to **SEE** it!

"This is **AN EVENT THAT SHOULDN'T BE MISSED** by any fan of off-road motorcycling... Watching the world trials champs climb, leap, bounce, fly, and slide over and through water, rocks, and boulders the size of a living room is my idea of a perfect way to spend a spring weekend."

-MOTORBYTE.COM

"This is **DEFINITELY A 'MUST DO' EVENT**. You will witness things that just shouldn't happen on a motorcycle..."

For those of you who haven't experienced a World Trials Event, I think I heard this quote almost as often as 'no way', '(insert friend's name here) is going to be so pissed that he didn't come.'

And so he should be."

-MN MOTORCYCLE MONTHLY

"Conquering big obstacles...it's what makes trials exciting, for spectators as well as participants. The really good (trials) riders are **AMAZING** to watch"
